About Me

I am an aspiring Information Technology professional, currently pursuing my Bachelor of Science in Information Technology at Jamhuria University. I have a solid foundation in web development, database administration, and project management, complemented by leadership and communication skills honed through multiple workshops and certifications. Fluent in English, Somali, and Arabic, I am eager to contribute my technical expertise and innovative ideas to dynamic work environments. I am passionate about developing solutions that not only meet user needs but also push the boundaries of technological innovation.
